

GREATER VANCOUVER MOTORSPORT PIONEERS SOCIETY

Nominating process:

The Greater Vancouver Motorsport Pioneer Society encourages nominations and suggestions from the motorsport public and our base of previous inductees, If you know of anyone, or an organization, whom you feel has contributed to early motorsport in the Greater Vancouver area please let us know.

We are looking for people from all forms of motorsport, including: oval, drag, power boats, motorcycle, sports car, hot rods and custom cars, and any other motorized sport.. If it is motorsport, and it happened in the Greater Vancouver, we want to know about the pioneers.

There are two categories of Pioneers:

Pioneers: Individuals who personally contributed greatly to the sport as competitors, drivers, team owners or in other direct roles

Supporters: Individuals, organizations and others who have provided the necessary support for the Pioneers and motorsport in general to flourish.

The Society needs help in identifying nominees and gathering information on them. While the committee has considerable knowledge, we definitely do not know it all.

We are constantly improving and updating our yearbook, Any contributions of information and photographs will be greatly appreciated. Photographs will be copied and originals promptly returned.
