The Greater Vancouver Motorsport Pioneers Society (GVMPs) is a group of motorsport enthusiasts from various motorsport activities whose goal it is to recognize and record the contributions of those who were pioneers of motorsport in this region.

The GVMPs is incorporated under the Societies Act of the Province of British Columbia.

Pioneers are generally considered to have contributed, or have begun their contribution, at least forty years prior to induction and to have had a strong connection to Vancouver British Columbia and its surrounding communities.

Inductees fall into one of many motorsport disciplines such as:

- *Hot Rod; including Custom Car, Drag Racing and Land Speed*
- *Sports Car and Road Racing*
- *Oval racing*
- *Motorcycling*
- *Collector and Restoration*

Inductees are selected in one of two categories:

**Pioneers:** Individuals who personally contributed greatly to the sport as competitors, drivers, team owners or in other direct ways.

**Supporters:** Individuals, organizations and others who provided the necessary support for the Pioneers and the sport in general to flourish.
